Re: Manuel Mata, Inc.
Profit Corporation Annual Report Filing
Doc #P96000069081

Dear Madam or Sir:

I am writing this letter on behalf of the above referenced Corporation.

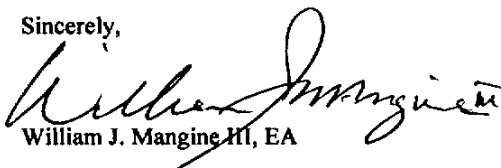

The above referenced Corporation's yearly records were submitted to me for the preparation of their income tax. Included in the tax records was the Annual Report Document. Before the records could be reviewed, I suffered a death in my family and had to take an extended amount of time to handle the transportation, funeral and other final arrangements. The records that had been brought to me were not opened, but tax extensions were prepared, as I would not be able to complete the returns in a timely manner.

When I was able to start the preparation of the return for the above corporation I discovered the Annual Report Document. Enclosed is a check for the annual fee. Mr. Mata showed due diligence when he obtained a competent professional to prepare his yearly reports. He had every right to expect them done in a timely manner. Therefore, for the reasons cited above, we feel that adequate evidence exists for the establishment of reasonable cause and abatement of all penalties.

Under penalties of perjury, I declare that the above information, to the best of my knowledge and belief, is true and correct.

Thank you for your prompt attention and consideration in this matter.

Sincerely,

William J. Mangione III, EA
