Subject: problems with filing

i have tried multiple times over the past 9 days to file my business report
and it is not going through but i am prompted to try again - my filing
should
have been registered by may first but it was not possible because of these
problems - even if i tried to do it by mail it would have been late which is
why i continue to try to submit by email - but without success - what should
i do? My Internet company has no answer as to why it will not connect to the
cite with my information?
please direct me as to what to do now.
thank you
