Re: LACONTE ENGINEERING, INC.
UNIFORM BUSINESS REPORT FILING - 2003

Attached you will find a *completed* Corporate Reinstatement form accessed from your web site.

Please be aware that, *LaConte Engineering, Inc.*, did not receive the annual renewal form for the 2003 filing, and therefore requests you waive the late filing penalty fee. Even though LaConte Engineering has remained an active business, it appears from the information I have checked on-line that none of the addresses indicated in your records is correct for the following reasons:

1. Both the principal place of business, and the mailing address has changed.
2. The agent's address includes a typo.

Therefore this submittal is technically not a reinstatement; instead the form was used to insure that you are aware of all current accurate address information for this business.

Also attached you will find a check in the amount of \$158.75 for the annual filing fee, including a request for a *certificate of status*.

Thank you for your attention, if you should have any questions, please do not hesitate to contact me.

Sincerely,

Patrick J. LaConte
President
