RE: Second Notice-Including Penalty
Mike's Landscaping Services, Inc.
P96000069472

Dear Sirs;

We are in receipt of your second notice that the above corporation has been assessed a penalty for non filing of initial annual report. We must advise you that this must be in error.

There are those occasions when my clients are negligent and do not file the reports on time. Because of that they are dissolved and duly deserving.

However, in this instance this is just not the case. It is my understanding that you send out a first notice, a second notice and finally a notice of dissolution. The above client received the second notice only. I have no explanation for this. It would seem that if the second notice arrived, the previous one should have also. But, I do believe them. I do not feel that they would be untruthful with me. Therefore, I ask that you please accept my client's payment of \$150.00 as payment for the first and initial notice.

In addition, I am sure that you are aware that business owners are very often overloaded with paperwork. Because of this they are less likely to remember to pay an annual fee without the benefit of a notice even though this fee is paid by them each year.

I am certain that you can be lenient and understanding in this particular instance.

Sincerely,

Shelly Wellman
Tax Preparer

P.S. Please note that this is not the only client that has had this happen.
