RE: Reinstatement of Planetary Products Company

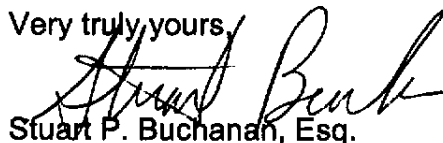

To Whom It May Concern:

Our firm represents Planetary Products Company and we are filing this Application for Reinstatement on behalf of this organization.

On or about March 5, 1998, we inquired as to the status of Planetary Products Company and learned that it had been administratively dissolved in 1997. We spoke with a state representative in your office named Trevor, and she informed us that there was in fact a problem with this corporation last year whereby they had sent back the Annual Report Form along with our payment due to a correction needed on the Form. Unfortunately, our office never received this request for correction from your office and therefore, we were surprised to learn that this company had been administratively dissolved.

According to Trevor, we were instructed to fill out the attached Application for Reinstatement and enclose a check in the amount of \$315.00 which would constitute last year's report fee and this year's report fee. Additionally, we have added the \$8.75 additional fee required for a Certificate of Status, and we are requesting that this Certificate of Status be returned to our Morse Boulevard address as set forth on the Application for Reinstatement. If there are any outstanding issues or information needed to reinstate this corporation, then please do not hesitate to contact our office. I am

Very truly yours,

Stuart P. Buchanan, Esq.
