**RE: NORTH FLORIDA VETERANS RESEARCH CORPORATION**  
**REF. NO. N97000001826**

Dear Ms. Tala:

There seems to be some confusion about the filing of documents for the above referenced Florida Corporation and I am requesting your assistance to be certain that all necessary steps have been taken to insure proper filing. The sequence of events is as follows:

1. On or about March 25, 1997, I sent a check in the amount of \$105.00 to cover costs of initial filing, with the following breakdown of costs:

\$35.00-Filing fee  
\$35.00-Registered Agent  
\$52.20-Certified Copy

---

\$122.50-Total owed

CC-art  
5/4/15

You notified me that the check which I previously submitted for \$105.00 was not adequate to cover the above costs.

\$122.50-required fee

\$105.00-amount sent

---

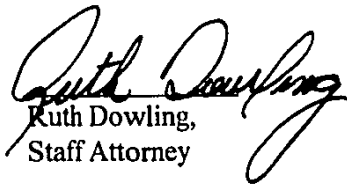

\$17.50-Due and owing for the above costs.

2. I sent a check for \$17.50 on March 25, 1997. On March 31, 1997, I received a letter (No. 697A00016084) stating that "the records of this office do not reflect an entity by the above name. . .".

**3. On April 8, 1997, I contacted you by telephone and you assured me that the North Florida Veterans Research Corporation, Inc. was properly incorporated and that nothing more needed to be done. I am thus assuming that the above referenced letter was sent in error.**

In reviewing my files, I note that I do not have a certified copy of incorporation and believe that I owe you the additional \$17.50. Please apply this amount toward the cost of the certified copy. Please do not hesitate to contact me if you have any questions about this matter. I thank you for your cooperation in clearing this up.

Sincerely,

  
Ruth Dowling,  
Staff Attorney
