Re:P96000074697
World Jet International, Inc.

Attached is the original annual report regarding the above referenced. Please note that this office submitted an application for a Federal identification number on June 10, 1998 and has been waiting for their response. Apparently, the Internal Revenue Service did not process this application promptly. We did not desire the possibility of an error of having two different identification numbers issued, therefore, it has taken this long for the matter to be resolved by the Internal Revenue Service. We respectfully request that the administrative dissolution or revocation issued by your office be voided with no penalties proposed on this corporation as it is the position of this office that all matters requested by you were handled at the time of your request and this delay was due to the processing of the Internal Revenue Service in issuing the identification number without the possibility of two different numbers for the same corporation.

Respectfully submitted,

John B. Fitzpatrick
Bookkeeper, World Jet International, Inc.
