Document No. P96000075933

Dear Ms. Ashton:

As we discussed on the telephone this afternoon, we electronically filed our Uniform Business Report (UBR) on February 27, 2002. In the process of filing our updated form we contacted customer service regarding how to complete the online form. Our corporation had added an officer increasing our total number of officers to twenty-five (25). The representative was helpful and explained that since we were maintaining the UBR from the previous year and only adding one officer, we would only need to add that officer to the electronic form, in other words, the Division of Corporations would use the previously filed form and revise it to include the new officer.

After visiting the website to verify the UBR form was filed correctly, we realized an error had occurred. Accordingly, attached is the list of all the current officers and their titles. Please update our UBR form to reflect the current officers.

Thank you for your assistance with this matter. If you have any questions, please do not hesitate to contact me at (941) 262-5228 ext. 207.

Sincerely,

Shelby Smith  
Human Resource Director
