Department of State:

I received a second notice to file the 1998 Profit Corporation Annual Report. I noticed that a \$400.00 late fee was assessed to both of our companies. I was shocked to see that since we never received a first notice.

I noticed that the address was different for both Alternative Marketing Strategies and Data Factory. That may be where the discrepancy came in. I have enclosed the correct address on the reports.

Please be advised that when we receive documents in the mail stating that we owe a governmental agency we contact our accountant. If the payment is correct we immediately remit the payment. Please research this to find out if we were ever sent a first notice.

Cordially,

Dawn Blicher
