The following directors were absent:

\_\_\_\_\_

David Bozik, President, and chairperson, presided over the meeting

The chairperson announced that each director of the corporation had received three days' or more prior notice of the meeting stating the time, place and purpose of the meeting.

CORPORATION NAME

The chairperson announced that the Board of Directors has proposed a change of corporate name, in order to broaden the publics perceived image of the products sold and/or serviced by the corporation. This amendment would go on record as Amendment One(1) . The Board felt the original name of Shield Publications & Software, Inc., portrayed an image offering mainly products pertaining to software and printed materials.

Therefore, the selection and adoption of a generic, broad based name, namely Shield ProProducts, Inc., the corporation would better exhibit to the public an image less stereotyped, to one which would enable the corporation to broaden the product opportunities available to it.

On motion and by unanimous vote by the board of directors it was

RESOLVED,  
that the new corporation name would be Shield ProProducts, Inc.

RESOLVED FURTHER, the corporation would pursue with the Florida Department of State, the action to amend its articles of incorporation by filing Articles of Amendment with the Department of Corporations. The articles of amendment would be prepared in compliance with section 607.1006, Florida Statutes.

Since there was no further business to come before the meeting, upon motion duly made and seconded, the meeting was adjourned
