We, Big Purse and sincerely sorry for the great confusion and misunderstanding with the corporation forms. A former employee, which we are not on amicable terms with was in sole possession of our corporate and company records. Since her departure in February our records were finally returned to us May 11, 1997. Upon reviewing the records we came across the corporation papers and the check and realized they had not been mailed on the initial date.

We hope that you will take our unfortunate situation under consideration. We are not a group of great profit. As of this year we have only made 500.00 that was due to us for the School Board of Broward County from 1996.

We try to perform both on stage and off in a professional manner. We are embarrass and upset that this has taken place. Again, Please take our situation under great consideration. Thank you for your time.

Sincerely,

Elena Garcia
