PRESIDENT

Dear Sir or Madam:

After some detailed researched, we finally come to understand the situation with the corporation issues.

After speaking to the main mail office in the area and the mail personnel in charge of deliveries in our building and after seeing some misplacing in our mail, we have came up with the conclusion that the there is a serious misleading in the mail regarding our address and location.

We are a small business - cafeteria inside of a condomminun - we do not have a specific mail drop off place... the mail person when we have the usual one, delivers the mail to our store but they always keep changing and we have experienced problems with the mail. Not only with your mail bul also some other important mail, in previous years has been a big issue here in this building.

As you may have seen in our records, we have tried to keep our standard updated. 2001 corporation record and documentation seem to be missing; therefor you have returned my payment sent out in December 30 / 01.

As you can see I contacted your office last time this problem arose and after written communication the situation was solved and I have even gotten certificate of status for my records, which I always have present.

I would like you to understand one thing that it has not been lack of interest or in any manner "to get away with the fees". This is a small business, my own business and my wife and two kids depended from it. The last thing I want to do is to play with the state regulations.

I will KINDLY AND RESPECTFULLY ASK YOU to help me to reinstate the corporation in the best way so that under the economic circumstances we all are, my corporation and I will not be affected. As advised by one of your consultants I am sending the payment for year 2001 \$150.00 and 2002 \$150.00 in two checks in order to expedite this uncomfortable situation.

Please inform me of any other requirements we might need. In advance thank you very much for your cooperation and understanding

Respectfully yours...

Oscar Herrera Monroy
