Dear Payment Revision Department;

My name is John Campbell and I am the owner and operator of East Coast Paver Design, Inc. Last Thursday I received the notice for renewal of my Incorporation in the mail and noticed that posted clearly on the front of my renewal booklet were the words "Second Notice Late fee Applied". Due to my immediate concern I contacted your office and explained to one of your representatives that this notice was infact the first I had received from your department since being confirmed on October 18, 1996 that my company had been approved for Incorporation status. I confirmed with him that the address provided was indeed correct and to my knowledge I have had no other problems with receiving mail from your department. He recommended that I explain my situation in a letter and send it with the original payment due in hopes that your company would understand that I indeed pay my bills promptly and would have done so if I had received the initial notice first.

I am truly grateful to have my business Incorporated and would do nothing to jeopardize my status with your department. Please call me immediately if you need any further information or have other questions or concerns. I thank you for your time and patience.

Sincerely,

John F. Campbell
