Re: 2000 Uniform Business Report

Our business has been established since 1996 and all required forms and requests are answered promptly from all agencies. We have filed each annual report before it is due date and when we received the second notice, I gave you a call. We have had some problems with the mail service in our area where each business receives other peoples mail which we have addressed with the post office.

I know the importance of this report but we never received the first report. On Monday August 28, 2000, I called and spoke with Robin about this issue and she advised to send in the report with a check for \$150.00. Please call me if you have any questions concerning this request.

Thanks,
