To Whom It May Concern:

My name is Jeff Miceli and I am the owner of Fratello's Pizza. I started my corporation in November of 1996. It then took me until June of 1997 to open. I had my home address on my corporation application because we hadn't found our store front yet. I moved from that address in the beginning of 1997, and did not notify your office because I did not know I had to. I am twenty five years old, this is my first business, and I simply did not know that I needed to. Well, I never knew that I had to reinstate my corporation, and I have received a reinstatement fee of \$585.00. Being a brand new business, I certainly would never have done this had I known I had to. Please understand that I did not receive the paperwork the first time around and that I will never let this happen again. I hope you can let this slide this one time, because like I said, this is a new business and we would be very hard pressed to come up with that kind of money at this time. Thank you for your time.

Sincerely,

Jeff Miceli
