This corporation was formed in 1996 with the intention of selling an already existing soap product, repackaged specifically to appeal to motorcycle owners. It was formed with the intention of making a profit.

The corporation issued 100 shares of stock, (because I believed I had to issue shares), that had no value and did not acquire a value.

In 1998 I decided to discontinue the attempt, and decided to dissolve the corporation. I unfortunately did not do anything about that decision immediately.

I have enclosed the appropriate form to accomplish dissolution, and a check in the amount of \$35. If this information is not sufficient, I can be reached at the above address. I am working now, but you may leave a message at my phone number of 813-968-1757 and I will return your call. Please leave me a toll-free number as my employer does not give me access to a long-distance line for my personal use.

Thank you for your assistance.
