Re: Penalty Abatement

TO WHOM IT MAY CONCERN:

Please be advised we are requesting an abatement of penalty which has been assessed the above named corporation for the following reasons:

The taxpayer was a new corporation having moved from New York and was not aware of the Florida corporate tax filing. This was the first year for the corporation and they never received the form on account of their move. This was not a willful intent to disregard the law. This late filing is a one time isolated instance and will not be repeated in the future. We are now aware of the Profit Corporation Annual Report and will adhere to the filing requirement in the future.

In addition, we are finding it difficult, as is the normal case with a new corporation, generating business. Any additional cost such as a penalty would cause an even greater financial hardship than we are having at this time.

We are graciously requesting the abatement of any late filing penalty of the annual report. Thank you for your cooperation in this matter.

Respectfully yours,

FRANK DRAGOTTO, CPA
