To whom it may concern:

Enclosed please find the Application for Reinstatement for Pedal Pushers, Inc and check #642 for \$165.00. The \$165.00 represents the required Annual Support Fee and Corporate Supplemental Fee. The Reinstatement Fee was not included for the following reasons:

- 1. The Notice of Administrative Dissolution or Revocation (which was mailed to the wrong address) states that second notice annual reports were sent on June 20, 1997. Pedal Pushers never received this notice and may be due to the incorrect address. I feel that the incorrect address is not an error on my part. The address is correctly stated as my home address in box 7, yet the apartment number is wrong in box 1, box 8 and the mailing address. The resident in apartment #22 was kind enough to forward the Notice of Administrative Dissolution or Revocation to me on October 24th. There was no prior notice of dissolution.
- 2. Pedal Pushers, Inc., although incorporated on November 19, 1996, did not open for business until January 24, 1997. Therefore, there was no activity to justify filing an annual report.

Please see that Pedal Pushers, Inc. is properly reinstated to active status and the address is corrected as indicated on the Notice of Administrative Dissolution or Revocation. If you have any further questions, I may be reached at 813-786-7433.

Thank you, Renche
