To Whom It May Concern:

Five months ago I asked an office employee, who no longer works for us, to file our 2002 Uniform Business Report. She is somewhat of a computer wiz so she decided to try and file it online. She claims she did complete the transaction; however, upon a visit and inquiry from our accountant, we could find no confirmation number and a call to your department shows no record of this transaction.

I spoke with Kathy at your office and she said that we should send in the \$150.00 fee immediately, with a letter explaining the situation in detail and ask for a reinstatement with a waiver of the late fee.

We are a small, three person, family owned business and times are very hard on us right now. The additional \$400.00 fine would impose an extreme hardship for us at this time.

I, as owner of the company, do take full responsibility for this important fee not being paid. As your records will show, we have always paid on time in the past.

I would like to ask for your indulgence and understanding in this matter.

Thank you,

Cheramy Vivona
President
