Re: BoPete, Inc.

Dear Department Representative:

I am writing this letter as per the instructions given to me over the telephone when I called the reinstatement department. I recently received a notice of administrative dissolution for the above referenced corporation for failure to file an annual report. I noticed that on the application for reinstatement, the Philadelphia mailing address listed a Florida zip code. Because of this clerical error, my office did not receive a copy of the blank annual report for filing or any notices of possible dissolution.

Enclosed please find a completed application for reinstatement, signed by the Chief Executive Officer of the corporation, along with a check for \$165.00 made payable to the Florida Department of State. I have also enclosed a separate check for \$8.75 for a Certificate of Status, reflecting that the corporation is in good standing. My understanding is that this process is not a formal reinstatement, and therefore, the signature of the registered agent is not needed. However, because the registered agent and the Chief Executive Officer are the same individual, I have obtained his signature on both places on the form.

It is also my understanding as a result of my telephone conversation with the reinstatement department that once you have received the application and the check, the records of BoPete, Inc. will show that the corporation has continuously, since its formation in November of 1996, been an active corporation in good standing.

Please forward all future correspondence to the Philadelphia address above. Please note that I have also made an address correction on the application form. I have enclosed a self-addressed envelope for return of the Certificate of Status. If possible, please provide me with evidence that the records of this corporation do not show this incorrect dissolution. Please do not hesitate to contact me with any additional questions. Thank you very much for your time and attention to this matter.

Sincerely,

VICKIE I. SIMON
