Re: Terena Corporation – P97000008503

To Whom It May Concern:

I have attached my resignation form to remove myself as a director of Terena Corporation. I was unaware I was listed as a director of this corporation and have had no involvement or association with this company since it was formed in January of 1997. I was asked to be a director of this corporation in 1997 as it was going to be a startup software company. The software company was never started and I should not have been listed as a director. I have never participated in any annual meetings, corporate decisions or any other association with this company since its inception. If you have any questions about this matter I can be reached at 813-855-0070.

A handwritten signature in black ink, appearing to be 'DK' followed by a long horizontal line.
