Dear Ms. Kathy Ashton,

I am writing in connection with your letter of 15th January 2002.

You have mentioned that you have no record of receiving corrected document. I also want to know where is the letter gone, it was send on 17th of June 2001. May be it did not record accidentally. I believe human do wrong some time. It may be an advertant mistake.

You needed correction of addresses, I sure it was done. Is that I did mistake I did not send by recorded delivery, then today I would be able to show you that did I send it to you. It may also happened it lost in mail.

I think it is a matter of understanding and consideration. Please try to understand that you have also receive \$150.00 dollar-fees-for-UBR.

I do really request you to waive the reinstatement fees.

We must forgive each other.
