Statement of Fact

Someone has gone onto the Sunbiz.org website and filed an amended annual report and changed the corporate information for Fern Insulators Inc., **Document # P97000011897**. The first time it was changed was on September 24, 2024. Upon receiving the email that the company information had been changed, we immediately called the Division of Corporations at 850-245-6000. We were told to file a police report and wait until the next day and go online and correct the information, which we did. We went online Friday, September 27th at approximately 8:30am to confirm that the information was still correct and it was. We received an email from sunbiz.org making us aware of another change at 9:00 am. The same information that someone had enter on the 24th had been re-entered on the 27th. We have updated the correct information again this morning, the 30th, as the system was having maintenance over the weekend.

We are requesting that the individual that has been making changes not be allowed to keep changing Fern Insulators Inc.'s corporation information. We are paying \$61.00 each time to correct the information. Any help you can provide with this situation is greatly appreciated.

Respectfully,

Daniel McAvoy, President
