This letter is in reference to our administrative dissolution on September 24, 1999.

I was informed by our tax accountant that we were administratively dissolved. That was the first time we were aware of the fact and certainly upset us. We never received the corporation annual report form. When we checked with Mail Box Etc., whom we used to receive our mail, we learned that they had a huge backlog of our correspondence that they somehow misplaced. There were however, other misplaced documents including this year's business license and presumably the corporation annual report form(s).

I called their statements branch and discussed with them the difficulty and they said that I should write a letter explaining what happened and send along \$150.00. This I have done.

I've changed our mailing address to ensure that the same problem will not occur again this year.

Thank you for your assistance in this matter.

Gratefully,

Maria A. Pollock
President
