RE: Pro Care Lawn Maintenance, Inc.
Doc. # P97000015646

To Whom It May Concern:

I have had my business now since 1997 and have had it in my maiden name up until now. Although I have been married for quite some time now, I never really thought to change the name. Just recently though, my insurance company requested that I change it to my married name to match their records.

I am requesting that my married name of Schwarz be added to my corporation so that it now reads: Melissa Torres Schwarz. I am asking that both names be used do to the fact that most of my business licenses and other important things are also this way and have been for quite some time now.

Thank you for your time. If you have any questions or concerns my number is (239) 542-9542.

Sincerely,

Melissa Torres Schwarz
