RE:

DFS Financial Service Corp.

1998 Annual Report

Attached is the 1998 annual report for the above mentioned corporation. The report filing fee of \$150.00 is also included. Please be advised that the printed form your office mailed in January was returned, therefore, never received by DFS Financial Service Corp. Because this is the first year that they would be required to file an annual report since incorporating last year, they were not aware that this document was never received.

The completed form with the information currently on file in your records along with the appropriate changes is included. We would appreciate having the late filing penalty waived, since we just became aware that this form is due. If you have any questions or require further assistance, please contact Richard Meagher at 561-712-1188.

Sincerely,

Noreen Lauf
