To Whom it May Concern,

It was brought to our attention in an email (donotreply@sunbiz.org) that there had been a recent change or filing on the Florida Department of State, Division of Corporations' records, for our corporation RAS Concrete Construction, Inc. We were NOT AWARE of this recent change and it WAS NOT AUTHORIZED. We don't even understand how this can happen! Someone has changed our current principal place of business, changed our current mailing address, added an additional VP GOERG, JOYCE who is unknown to us, and they also have requested a Certificate of Status which obviously concerns us greatly.

The email alerting us to these changes provided a phone number to call if WE did not make these changes. For days following, I called and called to no avail (left a message) and finally had the opportunity to speak to someone who told me that due to COVID she was working from home and could not help me anyway. WHAT?!? She, at least, provided me with an email address (ficarreinstcorphelp@dos.myflorida.com) to write to seek assistance. So I did.

I wrote that I needed direction and advice as to how immediate corrective action could be taken. Also, since false information submitted in a document to the DOS constitutes a third degree felony, I would like to press charges. Hopefully, any Certificate of Status HAS NOT already been sent to this criminal. I would like to know if one has been sent to this FAKE mailing address, to this Fake named person, and if so, what might they be able to do with it. Obtain fake loans? Clean out our bank accounts?

Please note that the **ONLY AUTHORIZED** persons under this document number are **SUSAN G. SMITH** and **ROGER A. SMITH**, husband and wife.

The person I have been able to exchange email with, to discuss my dilemma, has been Marisela.Richter@dos.myflorida.com. She has instructed me on how I should proceed regarding the FRAUDULENT ACTIVITY on our Annual Report, and it includes this Notarized Letter of Fact explaining what happened.

We need to return this annual report filing back to its original CORRECT condition, how it has been for years and years. Please contact me anytime to discuss this further.

Thank you very much,

Susan G. Smith, President and Owner
