Re: P97000024892

Please be advised, that I received the second notice for the Profit Corporation Annual Report form on June 29, 1998. This appeared to be in error since I did not receive the first notice.

On June 29, 1998, I contacted a member of your office who stated that this notice was in error and that I should write a letter stating that I never received the first notice and remit the original payment of \$150.00. Now I have received a notice stating that my remittance is being returned because it does not include the \$400.00 late fee.

Please advise what the procedure is for correcting this error in the filing fee. Thank you for all assistance.

Sincerely,

John M Moon
