Dear Sir or Madam:

This is in response to letter numbered: 398A00054066 received at our offices on November 13 1998. This is to inform you that while our annual report was filed late, it was filed well before the final deadline. However according to our records, you may have not received this report at all. The original checks with including the late fees were never presented for payment against our account. This only came to our attention a few weeks ago during an audit of our records. We immediately issued a stop payment on those checks and issued new ones to your department along with an explanation letter as to why our annual report was so late. However, from your letter mentioned above you do not seem to have received the explanation letter along with our most recent filing. That would explain your decision not to accept our filing as late.

We are again resubmitting our annual report with this explanation. We ask that your department accept our filing only as late and not subject us to further fees and penalties. If further information is needed we may be contacted at 954 985 7115 or 954 224 9019. We also ask that to be notified by fax as soon as a decision is rendered in this matter. Our fax number is 954 985 7115. Thank you for your assistance in this matter.

Sincerely,

Michael C Xavier
