I am writing to ask for your consideration in regards to my being assessed a late penalty for not filing on time.

I did not receive my first notice to pay my fees of \$150.00. When I received the second notice, now for \$550.00, I called and spoke to a representative in your office. They instructed me to send a letter of explanation and the original \$150.00 fee. With the help of my accountant, I did this immediately and thought the situation was handled. Your office sent another letter to me by way of my accountant this time dated July 22, 2003 indicating my \$150.00 fee was deposited and I still owe an additional \$400.00. Again, I called you office and was instructed to send a letter (this one) along with the original letter I sent with the \$150.00 fee.

I noticed on the last mailing you have my address listed as 240 Hopkins Street. It is in fact 2405 Hopkins Street. This may have been the reason I did not receive the first mailing. If you look up my account you will see, I always pay on time.

Thank you for your time. If I can provide any additional information, please call.

Sincerely,

Mark Boyer  
President  
Flemming Island Improvements, Inc.
