To whom it may concern:

We have received your second notice for filing of our corporations annual report. Please note that we do not have any record of receiving the first notice. It is quite possible that the original papers never made it to our office, for we have had many problems with our mail couriers since opening. We have made many complaints to the post office, all of which are noted with the local post office, as well as nationally.

We are a company that strives on excellent credit and prompt payment to all creditors. Unfortunately this matter was completely out of our control.

If you have any questions please feel free to contact me at any time.

Sincerely,

Sal DiMartino President
