I did not receive the Annual Business Report to file by May 01, 2003. I only received a Second Notice the first week of July 2003. I filed the Second Notice I received in July with a letter stating that I never received the initial Annual Business Report and included a check for \$150.00 on July 15, 2003. The check was submitted by the Division of Corporations and cleared according to bank records on July 21, 2003.

However, I just received on Monday, October 13, 2003 a Notice of Dissolution. I called the Division of Corporations on Wednesday, October 15, 2003 and spoke with an Examiner named Tom; and he asked if I received a letter from the Division of Corporations dated July 21, 2003 stating that I owed another \$400.00. I advised Tom that I never received that letter and verified again my address with him. He explained that the initial letter I sent was lost or misplaced and to resubmit another letter explaining what occurred and to file the Application for Reinstatement Letter.

I have included a copy of the cancelled check #729 and a copy of the initial letter sent to Division of Corporations July 15, 2003. I have also included the Application for Reinstatement.

I have been filing my Annual Business Reports in a timely manner; and this is the first time that I have never received the initial Uniform Business Report and only received a Second Notice Report. Thank you for your immediate attention to this matter.
