To State of Florida Division of Corporations,

The week prior to Thanksgiving I discussed with Leslie Sellers the fact that I filed the corporation annual reports for three corporations in early May of 1998. I sent them via return envelope to Tallahassee. I received a second notice and threw them in the trash, as I knew I had already filed them. Leslie advised me that I should always call the Dept. of State when I get a second notice, which I did not do at that time. I knew for sure that I had already sent them. It's obvious that the US postal service still has these reports in their possession, as the checks have not yet cleared. Leslie then told me to mail the forms back with a check for \$150.00 with an explanation of what happened. She informed that this, in fact, happens quite frequently. In the future, all of our corporation annual reports will be sent via FedEx or Priority Mail. Thank you for your immediate consideration.

Sincerely,

Ben Daniels, DVM
