To Whom It May Concern,

In the last couple of years my clients have always come in to do their Federal Corporate tax returns in late March or early April, and at the same time we also have filed Florida Annual Reports on a timely basis. This year due to having a daughter going to college we were forced to file in January due to the requirements of financial aide. At that time we had not received the Profit Corporation Annual Report but thought that we had time to file it as soon as it was received. Close to the individual deadline of April 15, 2000 my client realized that we had still not received or send in the Profit Corporation Annual Report. We then called on numerous occasions trying to get an extra copy for the May 1 deadline. We never did receive that replacement copy. We do not get general delivery in Steamboat Springs, CO. and feel that the original must have been sent to either the physical address or to the Florida address. Being an out of state accountant, and having our corporate filing date on July 15 and not knowing that you changed the name of the report to the Uniform Business Report added to the confusion to an already tough process of having to keep up with the laws of all 50 states.

Due to the fact that my client has always filed on a timely basis before and would have done so this year if they had received the Uniform Business Report. And due to the fact that we tried hard to get a replacement by the May 1 deadline we ask you to kindly except the original filing fee. We have talked to people in your office using the 1-850-487-6059 # 2 phone number and they told us as long as we wrote a letter and explained the situation that would be the case. We Thank You once again for your Help.
