RE: P-97000041447
UBR - 2003 and 2004

Florida Department of State
Division of Corporations
409 E. Gaines Street
Tallahassee, FL 32399

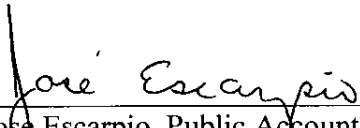

Dear Sirs:

Enclosed is a reinstatement form for the above corporation and check for \$308.75 covering the 2003 and 2004 filing fee. We kindly request that your office waive or does not charge the \$900 reinstatement penalty due to the following:

1. This Corporation tax and corporate matters was handled by the previous general manager. This person never informed the owners or officers about the UBR reports or filings that were due for the year 2003. This general manager was ceased due to his inefficient work. We are not sure if your reports or renewals were received by the previous general manager. The current officers in charge of handling this Corporation also have other corporations which are up to date with all the UBR filings and taxes.
2. Also during 2003, there was a change of accountants for this Corporation. The previous accountant as well as the general manager left us with hefty problems in the accounting and tax areas as well.
3. This Corporation was also closed for a few months during 2003, due to heavy construction on the main road which is located (State road 41). We lost a good deal of our correspondence during that time and most likely correspondence from your Department.

Please write or call us at the above letterhead should further information be needed.

Truly yours,

Jose Escarpio, Public Accountant
under Power of Attorney by
Rey Bermudez, President & Director
