ENGINEERING & COMPUTER SIMULATIONS, INC.**ARTICLES OF AMENDMENT TO
ARTICLES OF INCORPORATION**

The undersigned, acting in his capacity as the President of Engineering & Computer Simulations, Inc. (the "Corporation"), a Florida Corporation, on behalf of the Corporation, hereby executes these Articles of Amendment to Articles of Incorporation.

These Articles of Amendment to Articles of Incorporation amend the Corporation's Amended and Restated Articles of Incorporation filed with the Florida Department of State on March 12, 2002 and as further amended on March 2, 2005.

ARTICLE I:

The name of the Corporation is **ENGINEERING & COMPUTER SIMULATIONS, INC.**

ARTICLE II:

The amendment to the Articles of Incorporation effected by these Articles of Amendment is that Article IV, Section 4.2 of the current Articles of Incorporation is amended by adding the following:

Of the authorized shares of preferred stock, Two Hundred Thousand (200,000) shares are hereby designated "Series A Convertible Preferred Stock" with the rights, preferences, privileges and restrictions as set forth in the succeeding provisions of this Article IV. The balance of the shares of authorized preferred stock may be divided into such number of series as the Board of Directors may determine. The Board of Directors is authorized to determine and alter the rights, privileges, preferences and restrictions granted to and imposed upon any wholly unissued series of preferred stock, including a preference with respect to any other series of preferred stock, and to fix the number of shares and designation of any such series of preferred stock. The Board of Directors, within the limits and restrictions stated in any resolution or resolutions of the Board of Directors originally fixing the number of shares constituting any series, may increase or decrease (but not below the number of shares of such series then outstanding), the number of shares of any series subsequent to the issue of shares of that series.

The rights, preferences, privileges, restrictions and other matters relating to the Series A Convertible Preferred Stock (the "Series A Stock") are as follows:

A. Dividends; Antidilution.

1. Dividends. The holders of the outstanding Series A Stock shall be entitled to receive in any fiscal year, only when and as declared by the Board of Directors, out of any assets at the time legally available therefore, dividends in cash before any dividend of equal or lesser amount is paid on the common stock for such fiscal year. All dividends shall be non-cumulative, shall be at least equal to any dividends paid on the common stock, and shall be payable only when and if declared by the Board of Directors.

2. Antidilution. If, whenever shares of Series A Stock, which are convertible into shares of common stock, are outstanding, the Corporation increases the number of shares of common stock outstanding in connection with a dividend or other distribution payable in common stock, or shall subdivide its common stock into a greater number of shares of common stock, or shall have combined its common stock into a smaller number of shares of common stock, appropriate adjustment shall be made in the conversion rate so as to make each share of Series A Stock convertible into the same proportionate amount of common stock as it would have been convertible into in the absence of such dividend, subdivision or combination.

B. Liquidation Preference.

1. In the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary or other event defined herein to constitute a liquidation ("Liquidation"), the holders of the Series A Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets or surplus funds of the Corporation to the holders of common stock by reason of their ownership thereof, an amount equal to \$2.44 per share of Series A Stock (as adjusted for any combinations, consolidations, stock distributions or stock dividends with respect to such shares) plus an amount equal to all declared but unpaid dividends, if any (the "Preferred Amount").

2. If upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A Stock shall be insufficient to permit the payment of such holders of the full Preferred Amount, then the entire assets and funds of the Corporation legally available for distribution shall be distributed on a *pro rata* per Series A Stock share basis.

C. Voting Rights. The holders of each share of Series A Stock shall be entitled to the number of votes equal to the number of shares of common stock into which such shares of Series A Stock could then be converted and shall have voting rights and powers equal to the voting rights and powers of the common stock (except as otherwise expressly provided herein or as required by law, voting together with the common stock as a single class) and shall be entitled to notice of any shareholders meeting in accordance with the bylaws of the Corporation. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares of common stock into which shares of Series A Stock held

by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward).

D. Conversion. The holders of Series A Stock shall have conversion rights as follows (the "Conversion Rights"):

1. Right to Convert. Each share of Series A Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share, at the office of the Corporation or any transfer agent for such stock, into one share of fully paid and non-assessable common stock, subject to the appropriate adjustments set forth in Section 4.2(A)(2).

2. Conversion by the Vote of the Holders of Series A Stock. Each share of Series A Stock shall be converted into one share of common stock, subject to the appropriate adjustment set forth in Section 4.2(A)(2), upon the vote of the holders of two-thirds of the outstanding Series A Stock.

3. Automatic Conversion. Each share of Series A Stock shall automatically be converted into one share of common stock, subject to the appropriate adjustment set forth in Section 4.2(A)(2), immediately upon the closing of the sale of the Corporation's common stock in a public offering of common stock registered under the Securities Act of 1933, as amended, other than a registration relating solely to a transaction under Rule 145 under such Act (or any successor rule thereof) or to an employee benefit plan.

ARTICLE III

The amendment to the Articles of Incorporation reflected in Article II hereof was approved and adopted by the Board of Directors of the Corporation on January 10, 2007. Consent of the Shareholders is not required.

ARTICLE IV

The effective date of these Articles of Amendment shall be upon the filing thereof with the Florida Department of State.

IN WITNESS THEREOF, the Articles of Amendment have been signed by the President of the Corporation this 10th day of January, 2007.
