To Whom It May Concern:

I was elected to serve on the Board of Directors of Carroll Environmental Technologies, Inc., a Florida Corporation, to serve for a term of one year. That year was for the year 2000. I did attend some called meetings that year. I understand that my name has continued to be listed as a director subsequent to 2000. This is not with my permission. I have attempted to notify the corporation that as of December 31, 2000, I would not have any connection with the board of directors.

My request is that my name be removed from any connection with this corporation after December 31, 2000 including, but not limited to, listings on the internet. My understanding is that there is a \$35.00 fee to have this done. I am enclosing a check for that amount with this letter.

Sincerely,

Daniel Lee
