To Whom It May Concern:

Upon receiving the Uniform Business Report 2nd notice, it then came to me that the first notice was never received. I am sure you hear this time and again but if you look back on our records, the same situation happened to our company in 1998. We then filed the late fee after many discussions with your office. Since April, our corporate officers have changed (I have since bought out my previous partner) as you can see by the deletion of Debra Mager. My first thought was that while this was in the corporate legal process, we were never sent an annual report. For whatever the reason, I can honestly say that my ex-business partner, our office manager or myself never received the initial report for filing. I would certainly like to fix the situation, as my company does not wish to be known as consistently late with this report. Please feel free to call me concerning this matter at 352-401-3663. Thank you for your attention in this matter.

Sincerely,

Michael Hamer
Owner/President
