To Whom It May Concern:

We never received any notices to file the uniform business report for 2003, our address in Miami is kind of confusing since other important documents have been sent back to the senders, this has never happened with the corporation papers but unfortunately it happened this year as a working person my corporation has always been in good standing, business has been slow and it would be a hardship to pay any late fees at this point. Please also send me a certificate of good standing (fee included).

Thank you very mach,

Jose A Bello (President)
