Dear Madam Secretary:

This letter is in response to a 1998 Profit Corporation Annual Report packet, 2nd Request notice we received on July 7, 1998. I called your office on July 8, 1998 to inquire about this second request, in as much as we filed this report with your department on April 28, 1998. I was informed by your office that our filing was sent back to us with our check because we inadvertently failed to fill in the FEI Number. We never received the letter from your department nor did we receive the check. This second notice letter is the first notification to us that we did not properly complete your packet. Had we received the previous material, we would have completed it and send it back to your department immediately.

I spoke with a member of your staff and was instructed by her to send a new check for \$150 and the completed second request form and that would take care of this matter. I have issued a stop payment on the first check that was sent to your department in April of 1998 and as instructed am issuing a new check for \$150.00.

Thank you for your prompt attention to this matter. My best regards.

Sincerely,

David C. Whitaker
Chief Financial Officer
