ARTICLE VIII - LIABILITY AND INDEMNIFICATION

(I) The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil or criminal, administrative or investigative, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred by him in connection with such action, suit or proceeding, including any appeal thereof, if he acted in good faith or in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. However, with respect to any action by or in the right of the Corporation to produce a judgment in its favor, no indemnification shall be made in respect of any claim, issue or matter as to which such person is adjudged liable for negligence or misconduct in the performance of his duty to the Corporation

unless, and only to the extent that, the court in which such action or suit was brought determines, on application, that despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity in view of all the circumstances of the case. Any indemnification hereunder shall be made only on a determination by seventy-five percent (75%) vote of disinterested directors, that indemnification is proper in the particular circumstances because the party to be indemnified has met the applicable standard of conduct. Determination of any action, suit or proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the party did not meet the applicable standard of conduct. Indemnification hereunder may be paid by the Corporation in advance of the final disposition of any action, suit or proceeding, on a preliminary determination that the director, officer, employee, or agent met the applicable standard of conduct and on receipt of any undertaking by or on behalf of the director, officer, employee or agent to repay such amount, unless it is ultimately determined that he is entitled to be indemnified by the Corporation as authorized in the section.

(II) The Corporation shall also indemnify any director, officer, employee or agent who has been successful on the merits or otherwise, in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, against all expenses, including attorney's fees, actually and reasonably incurred by him in connection therewith, without the necessity of

an independent determination that such director, officer, employee or agent met any appropriate standard of conduct.

(III) The indemnification provided for herein shall continue as to any person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors, and administrators of such person.

(IV) In addition to the indemnification provided for herein, the Corporation shall have power to make any other or further indemnification, except an indemnification against gross negligence or willful misconduct, under any resolution or agreement duly adopted by a majority of disinterested directors, or duly authorized by a majority of stockholders.

(V) If any expenses or other amounts are paid by way of indemnification, otherwise than by court order or action by the stockholders or by an insurance carrier pursuant to insurance maintained by the Corporation, the Corporation shall, not later than the time of delivery to the stockholders of written notice of the next annual meeting, unless such meeting is held within three (3) months from the date of such payment, deliver by mail to each stockholder of record at the time entitled to vote for the election of directors, a statement specifying the persons paid, the amounts paid, and the nature and status at the time of such payment, of the litigation or threatened litigation.

(VI) The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or who is

or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have authority to indemnify him against such liability under the provisions of these articles, or under law.

IN WITNESS WHEREOF, the undersigned incorporator has executed the foregoing Articles of Incorporation this 16 day of June, 1997.
