Department of State:

I am writing to advise your office that I received your Second Notice for the Annual Report, Friday July 2, 1999, but never received the first document. I am located in a residential neighborhood and work out of my home. At times we have experienced problems with our mail because of our business name and residential name.

After calling your office this morning, I was advised that this document should be received no later than May 1st of each year. In the future, I will make it a point to make sure I have this document in hand and sent back to your office. Not to mention, my accountant, who has been my faithful reminder and guide, passed away earlier this year, and I am trying to work with an associate. I am new at this business, and am still learning of time frames in which documents must be filled out and returned.

I hope your office can waive the late fee, and accept my apology and annual report with my payment of \$158.75. Please feel free to contact me at 888-552-9911 if I can be of further assistance.

Sincerely,

Filomena Radi  
President/Director
