RE: Reinstatement of Corporation

Attention: Tyron Scott

Dear Mr. Scott,

My name is James Betz. This letter is in reference to a conversation we had at 1:35 PM Eastern Time on April 28, 1999. I was unaware that my corporation had to be renewed. I honestly had no knowledge of the fact that a renewal was required. One day I applied for a corporate lease and was turned down due to the fact the I have an administrative diss. for non filing. This concerned me so I called the Division of Corporations and ask what was going on. At that time they explained to me that a renewal was required and that the forms sent to me were returned. This is why I never knew I had to have a renewal done. I know now. And I asked what the fee or fine was to get renewed and the lady, MS. Sprather, told me that since my forms were returned, I was only required to send in 300 dollars. Then when I called back and talked to you, you told me to write a letter and ask for my late fees to be waived. Therefore, I am asking you to waive my late fees and let me renew my corporation for the 300 we talked about and the 8.75 for the Certificate of Status.

I am enclosing a check for \$308.75 to cover the \$300 renew fee and the \$8.75 Cert. Of Status fee. Please accept my deepest apologies in this matter, for this will never happen again.

Sincerely,

James Betz,
