To whom it may concern:

We have just received your notice of administrative Dissolution or Revocation for our failure to file our 1998 Corp. annual report on time as required. Below, please review our reasons for not filing on time, and please reconsider our filing payment.

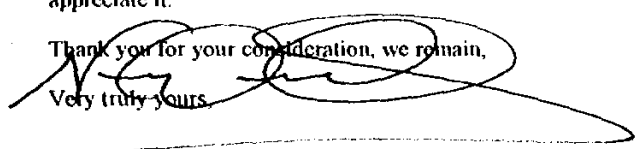

We are a small family owned business which has always been in good standing with the Department of State, however this past year we had to attend to our father Jorge E. Valdes which suddenly became extremely ill due to 4 clogged arteries in his heart and 2 clogged carotid arteries, to make a long story short after weeks in Mt Sinai Hospital, he had to undergo quadrupled bypass surgery of the arteries and a cleaning of the carotid artery, once the surgery was completed he spent another 2 weeks in intensive care unit with other complications. Between our problem and another we were at the Hospital for about 2 months and an additional 2 months at home recovering. Thank God today our father is doing real well but, due to his illness we were not able to attend to our business as we have in the past and therefore did not file our Annual Report on time.

Please consider our payment in good gesture as satisfaction of the above.

Once again if you could find it in your hearts to reconsider filing of the Annual Report, we would greatly appreciate it.

Thank you for your consideration, we remain,

Very truly yours,

A handwritten signature in dark ink, appearing to be "J. Valdes", is written over the closing text. The signature is fluid and cursive, with a long horizontal line extending from the end.
