Division of corporations

Please consider since Essie Inc has been in business, we have always had fees in due time. But our manager at that time was on medication and had to have surgery for seven disks on his back. When I ask him if the fees had been paid, he told me they had been paid. He was unable to return to work and going through my records I found the forms and discovered the forms and the fees had not been paid. I called the Depart of Corp. and told them about my situation and they said mail the \$150.00 and write this letter explaining what happen. I would appreciate your consideration on the late fees. If the late fees have to be paid, they will be promptly paid.

Thank you

Robert Little
