To Whom It May Concern:

I never received the corporate renewal form for 1999. Mr. Kevin Voorhees relinquished his partnership with myself and because he was the current registered agent, the renewal form was sent to him. In speaking with a representative of the State of Florida Division of Corporations, I was advised to make a copy of last year's form, change the date to this year and make any necessary changes.

I am submitting said form to you with all updated changes and the fee of \$150.00. If there is any problem or additional changes needed, please notify me at the new registered agent address or call me at 561-340-0930.

Sincerely,

Ross E. Meadows, Jr.
