Re: First Choice Computer Consulting, Inc.

Dear Sir or Madam

Enclosed is the corporate annual report for the above-referenced corporation, along with a check in the amount of \$150.00, to cover filing fees.

We respectfully request that you accept this payment as payment in full of the 1998 fee. The forms were not received at the business location, and the filing deadline was inadvertently missed. The corporation has only been opened since 1997, and the officers were not aware of these filing requirements.

Payment of the additional penalty will represent a tremendous financial hardship to this business, and we would appreciate your allowing them to pay the original fee this time. They will not ask for this consideration again in the future.
