ARTICLE III

CAPITAL STOCK

The aggregate number of shares of all classes of capital stock which this Corporation shall have authority to issue is 25,000,000, consisting of (i) 20,000,000 shares of common stock, par value \$0.01 per share (the "Common Stock"), and (ii) 5,000,000 shares of preferred stock, par value \$0.01 per share (the "Preferred Stock"). The designations and the preferences, limitations and relative rights of the Preferred Stock and the Common Stock of the Corporation are as follows:

A. PROVISIONS RELATING TO THE PREFERRED STOCK

1. The Preferred Stock may be issued from time to time in one or more classes or series, the shares of each class or series to have such designations and powers, preferences and rights, and qualifications, limitations and restrictions thereof as are stated and expressed herein and in the resolution or resolutions providing for the issue of such class or series adopted by the Board of Directors (the "Board") as hereinafter prescribed.

2. Authority is hereby expressly granted to and vested in the Board to authorize the issuance of the Preferred Stock from time to time in one or more classes or series, to determine and take

necessary proceedings fully to effect the issuance and redemption of any such Preferred Stock, and, with respect to each class or series of the Preferred Stock, to fix and state by the resolution or resolutions from time to time adopted providing for the issuance thereof the following:

(a) whether or not the class or series is to have voting rights, full or limited, or is to be without voting rights;

(b) the number of shares to constitute the class or series and the designations thereof;

(c) the preferences and relative, participating, optional or other special rights, if any, and the qualifications, limitations or restrictions thereof, if any, with respect to any class or series;

(d) whether or not the shares of any class or series shall be redeemable, and, if redeemable, the redemption price or prices, the time or times at which and the terms and conditions upon which such shares shall be redeemable and the manner of redemption;

(e) whether or not the shares of a class or series shall be subject to the operation of retirement or sinking funds to be applied to the purchase or redemption of such shares for retirement, and if such retirement or sinking fund or funds be established, the annual amount thereof and the terms and provisions relative to the operation thereof;

(f) the dividend rate, whether dividends are payable in cash, stock of the Corporation, or other property, the conditions upon which and the times when such dividends are payable, the preference to or the relation to the payment of the dividends payable on any other class or classes or series of stock, whether or not such dividend shall be cumulative or noncumulative, and, if cumulative, the date or dates from which such dividends shall accumulate;

(g) the preferences, if any, and the amounts thereof which the holders of any class or series thereof shall be entitled to receive upon the voluntary or involuntary dissolution of, or upon any distribution of the assets of, the Corporation;

(h) whether or not the shares of any class or series shall be convertible into, or exchangeable for, the shares of any other class or classes or of any other series of the same or any other class or classes of stock of the Corporation and the conversion price or prices or ratio or ratios or the rate or rates at which such conversion or exchange may be made, with such adjustments, if any, as shall be stated and expressed or provided for in such resolution or resolutions; and

(i) such other special rights and protective provisions with respect to any class or series as the Board may deem advisable.

The shares of each class or series of the Preferred Stock may vary from the shares of any other series thereof in any or all of the foregoing respects. The Board may increase the number of shares of the Preferred Stock designated for any existing class or series by a resolution adding to such class or series authorized and unissued shares of the Preferred Stock not designated for any other class or series. The Board may decrease the number of shares of the Preferred Stock designated for any existing class or series by a resolution, subtracting from such series unissued shares of the Preferred Stock designated for such class or series, and the shares so subtracted shall become authorized, unissued and undesignated shares of the Preferred Stock.

B. PROVISIONS RELATING TO THE COMMON STOCK

1. Except as otherwise required by law or as may be provided by the resolutions of the Board authorizing the issuance of any class or series of Preferred Stock, as hereinabove provided, all rights to vote and all voting power shall be vested exclusively in the holders of the Common Stock.

2. Subject to the rights of the holders of the Preferred Stock, the holders of the Common Stock shall be entitled to receive when, as and if declared by the Board, out of funds legally available therefor, dividends payable in cash, stock or otherwise.

3. Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, and after the holders of the Preferred Stock shall have been paid in full the amounts to which they shall be entitled (if any) or a sum sufficient for such payment in full shall have been set aside, the remaining net assets of the Corporation shall be distributed pro rata to the holders of the Common Stock in accordance with their respective rights and interests to the exclusion of the holders of the Preferred Stock.

C. GENERAL PROVISIONS

1. Except as may be provided by the resolutions of the Board authorizing the issuance of any class or series of Preferred Stock, as hereinabove provided, cumulative voting by any shareholder is hereby expressly denied.

2. No shareholder of the Corporation shall have, by reason of its holding shares of any class or series of stock of the Corporation, any preemptive or preferential rights to purchase or subscribe for any other shares of any class or series of the Corporation now or hereafter to be authorized, and any other equity securities, or any notes, debentures, warrants, bonds, or other securities convertible into or carrying options or warrants to purchase shares of any class, now or hereafter to be authorized, whether or not the issuance of any such shares, or such notes, debentures, bonds or other securities would adversely affect the dividend, voting or other rights of such shareholder.
