To whom it may concern.

Please find enclosed the information required to reinstate our company. I have enclosed a check for \$300.00 for the fee for the two years that we have missed. We are an English company who has opened an office here, and the immigration attorney who dealt with our visas and opened the corporation for us didn't tell us that we were to register with you each year. And because we moved our office from South Dixie highway within the first twelve months (we had leaking problems) we didn't get any notices from you. I believe you sent these notices but they were returned. The only reason we knew we had become inactive was because American express who we have an account with, called us and informed us. So, on the instructions of one of your representatives we have not sent the penalty fee, but have enclosed the last two yearly payments for our corporation.

Best regards

Paul A Fitton
