*To Whom It May Concern:*

*On June 30, 1998, we received a second notice from the Department of State regarding our renewal for our corporation. It states that we did not comply with the dates on time and we are being fined \$400.00. As you can see, we are in our first year of business and we were told by our registered agent that this (the corporations renewal) was taken care of until the 1999 renewal. When we received this notice from the State, we then realized it was not taken care of. We phoned our registered agent and he then told us if we received a notice it must not have been taken care of. Please understand that we did not know we had to renew our corporation because we never received a renewal form and we were told it was done.*

*I spoke with someone at the Florida Department of State and she told us to send in a check for \$150.00 and to send a letter stating what had happened, so this is why I am writing. If you can look up any other information on our corporation you will see we pay everything on time. I hope the State will understand that we our a new corporation and we were not informed that we had to renew every year and also the fact that we never received a renewal notice.*

*Please contact us if you have any further questions.*

*Best Regards,*

*Kimberly Arcas  
Vice President*
